

Rajini

AI Engineer

rajini@example.com | +91 9684880075 | Hyderabad, India

PROFESSIONAL SUMMARY

AI Engineer with 7.2 years of experience building LLM-powered applications, computer vision systems and deep learning pipelines.

TECHNICAL SKILLS

Transformers · NLP · LangChain · Hugging Face · PyTorch · LLMs

WORK EXPERIENCE

AI Engineer — Vee Technologies (3.6 yrs)

- Fine-tuned a transformer model for domain-specific document classification.
- Implemented prompt-engineering workflows to improve LLM response accuracy by 20%.

Associate AI Engineer — HCL Tech (3.6 yrs)

- Fine-tuned a transformer model for domain-specific document classification.
- Built a RAG-based internal knowledge assistant using LangChain and a vector database.

EDUCATION

B.E ECE — Anna University / Affiliated College, Tamil Nadu
